GUIDELINES FOR SUBMISSION

Doctoral Consortium

The Doctoral Consortium provides an opportunity for doctoral students to present their research to other students and experts in the field. A panel of distinguished researchers will share their feedback and provide valuable insights which will help the students to improve their research work.

Doctoral students are invited to submit extended abstracts of original research papers in all areas of management like:

- Economics and Public Policy
- Finance and Accounting
- Information Systems
- Marketing
- Operations and Quantitative Techniques
- Organizational Behaviour and Human resource Management
- Strategy

The Process:

Guidelines for Abstract Submission:

Students are required to submit an extended abstract of about 1200-1500 words consisting of:

- Title
- Abstract
- Key words
- Brief Introduction
- Brief Literature Review
- Context and Problem Statement/ Research Question
- Methodology
- Key Results/ Findings
- Discussion/ Conclusion
- Theoretical and/or Managerial Implications and
- Key references

This extended abstract will undergo a blind review, and the corresponding author will be intimated about the acceptance of the paper. Upon acceptance of the extended abstract, the doctoral student will have to submit the full-paper (not exceeding 8,000 words) which the student will further present at the Doctoral Consortium.

Please submit the **extended abstract** for the Doctoral Consortium using the link: <https://easychair.org/conferences/?conf=isdsi2017>

Guidelines for Preparing Extended Abstract and Full Paper:

Prepare the extended abstract and the full-paper in .docx or .pdf format with Times New Roman font, size 12 and typed in 1.5 spacing with 1" margins on all sides. The extended abstract and the full paper must include a cover page which consist of the title of the paper, name of the author(s), affiliated organizations, email ID and contact details. In case there is more than one author for the paper, this information is required for all the authors. In case there are more than one authors, the corresponding author must be clearly denoted. No identifying details (like author's names, affiliation or any identifying details) should be present on any other page other than the cover page of the extended abstract and full paper. The paper should not have been published/ accepted for publication in any academic journal.

Best Paper Award

Full research papers will be reviewed, and top **three** high quality research papers will be ranked and awarded the "**Best Doctoral Paper**" award. This award will consist of:

- a certificate and
- cash prize

In case of queries please send an email to isdsi2017@iimtrichy.ac.in

Main Conference

Interested participants are invited to submit an abstract of continuous text (no bullet points, no math/Greek symbols) of about 100 words describing their presentation. The title should not be longer than 15 words. Kindly note that the *submission of full-paper is optional* for the main conference.

Please register for the conference and submit the **abstract** for the main conference using the link:
http://www.dsiindia.org/conference_registration

Guidelines for Preparing Full Paper:

Prepare the full-paper in .docx or .pdf format with Times New Roman font, size 12 and typed in 1.5 spacing with 1" margins on all sides. The full paper must include a cover page showing title of the manuscript, the author's name, affiliation, and full address with e-mail ID and contact number. It should be noted that submission of full paper is optional for the main conference.

In case of queries please send an email to isdsi2017@iimtrichy.ac.in

About ISDSI

Indian Subcontinent Region of DSI has been constituted in the year 2005 in India. The Decision Sciences Institute (DSI) is a professional organization of academicians and practitioners interested in the application of quantitative and behavioral methods to the problems of society. Through national, international and regional conferences, competitions, and publications, the Institute provides an international forum for presenting and sharing research in the study of decision processes across disciplines. Five regional subdivisions in the United States, as well as regions representing Europe, Mexico, Asia-Pacific and the Indian subcontinent, operate independently within the Institute. Each region has its own elected officers and representatives on the board of directors and holds annual meetings. The Institute is an independent non-profit educational organization.

About Indian Institute of Management Tiruchirappalli, Tiruchirappalli, Tamil Nadu, India

Indian Institute of Management Tiruchirappalli (IIMT) is the eleventh IIM under the patronage of the Government of India. IIM is a name that has steadily become synonymous with excellence and has established a benchmark for unwavering quality. Technologically equipped smart classrooms, world-class library, 24x7 Wi-Fi, elegantly furnished air-conditioned hostels, 2 Megawatt Solar Power Plant and rain water harvesting systems makes IIMT campus a state of the art environmentally green campus. IIMT is spread over 175 acres of land on Trichy-Pudukkottai highway situated at about 12 km from Tiruchirappalli International Airport and at about 18 km from Tiruchirappalli Railway station.

About Tiruchirappalli

Tiruchirappalli (Trichy) is a prominent city for art and culture in the state of Tamil Nadu, India with several tourist attractions in the neighbourhood. Trichy has a rich cultural heritage which dates back to more than 1000 years. Trichy is also the home to Grand Anicut, the fourth oldest dam in the world that was constructed in the 2nd century AD as well as the Rockfort. The geographic location of Trichy makes it easy to visit prominent tourist attractions that includes World Heritage sites of Thanjavur, Mahabalipuram and Gonngaikonda Cholapuram, natural escapades of Coutrallam Falls and Kanyakumari, hill stations at Munnar, Kodaikanal and Ooty, and the exotic Indo French enclave of Pondicherry. In addition, the excellent connectivity to Chennai by road, rail and air makes it easy to explore the rest of the country. Trichy is also well connected to international destinations like UAE, Singapore, Malaysia and Sri Lanka with direct non-stop flights on daily basis.
