ADELPHI UNIVERSITY
ROBERT B. WILLUMSTAD SCHOOL OF BUSINESS

Assistant Professors (tenure-track) in Operations Management/Data Analytics/Information Technology

Adelphi University is a private comprehensive university of 8,000 students, located in Garden City, on Long Island, New York, within 15 miles of JFK Airport and Manhattan in downtown New York City.

The Robert B. Willumstad School of Business at Adelphi University invites applications for three tenure-track positions at the assistant professor level beginning August 2018. The Robert B. Willumstad School of Business is accredited by AACSB International.

**Job Requirements**

The ideal candidate will have expertise in operations management, supply chain management, data analytics, information systems, database management, or related areas at the undergraduate and Masters level.

The successful candidate must have a record of strong teaching experience and evidence of scholarly work. Professional experience is desirable. A completed doctorate in a relevant discipline is required.

The normal teaching load is 3 courses (9 credits) a semester. Teaching assignments may occur on the main campus in Garden City or at off-campus sites in Manhattan (New York City), or other locations on Long Island. Courses are offered during the day, evenings, and on weekends.

**Application Instructions**

All applications must be submitted through Adelphi University’s employment portal at [www.adelphi.edu/positions](http://www.adelphi.edu/positions). The application package consists of a letter of interest, curriculum vitae/resume, one page statement of teaching philosophy, one page statement of research, copies of recent student evaluations, and the names and contact information of three references.

Please indicate if you will be attending the conference of DSI 2017 (Nov 19 & 20) in Washington, D.C. and if you will be available for an informal information session with AU representatives.
